RED SONJA & VAMPIRELLA MEET BETTY & VERONICA

Chu and Sanapo Are Dynamiting Riverdale!

For a small town, Riverdale certainly has its share of visitors. From Batman '66 to KISS to the Punisher to Predators—it's pretty amazing who drops by this humble all-American town. But Riverdale's never hosted a vampire and a barbarian from a bygone era... until now!

Red Sonja and Vampirella Meet Betty and Veronica #1, written by *Amy Chu* and illustrated by *Maria Sanapo,* brings Dynamite Entertainment's most famous females to Riverdale. A trail of paranormal, unsolved murders leads Vampi and her sword-wielding partner to this sleepy little town, where they soon cross paths with Betty and Veronica, who are investigating the very same crimes as reporters for their high school newspaper! But these high-schoolers soon prove that they're a match for Vampirella and Red Sonja when it comes to courage and ingenuity!

For Chu, this series offers her a chance to write characters with whom she grew up. "***Archie*** was one of the few comics my mom would buy for us now and then. We didn't have a lot of money growing up, so my mom wasn't about to blow it all on comics. Whereas I've done quite a bit of Red Sonja to date, this is my first Archie book, and also Vampirella. Of course there's the challenge of pulling it off: Not every kind of story is suited for this kind of team-up. What would bring these four women together? A mysterious spree of supernatural killings in Riverdale High, of course!"

Dynamite senior editor *Matt Idelson,* who is coordinating this crossover in conjunction with Archie comics co-president *Alex Segura,* explained that "we've totally loved what Archie's been doing across their line, and we're always looking for crossover opportunities. We talked about some options, and this was by far the craziest one suggested and the one that grabbed everyone the most."

"I've known Nick for a long time—he's probably one of my oldest friends in the industry, dating back to my first comic book gig at Wizard," Segura added. "So, we've kept in touch and we've wanted to play in the sandbox with the Dynamite gang for some time, and I'm really happy the stars aligned on this one.

"The idea of having Archie and Dynamite cross over was never far from our minds. It just took a second to figure out the best way to do it. Both companies have iconic, beloved female heroes, so when we stepped back and realized we didn't have to do a one-for-one crossover—we could throw in more heroes and characters to make it feel really special—that's when we hit on ***Red Sonja and Vampirella Meet Betty and Veronica***. *Amy Chu,* talent we've wanted to work with for a long time, put together a really fun story, and it just went from there. Amy's story is a fun, energized romp that brings together our iconic duo of Betty and Veronica with Vampi and Red Sonja. Four badass ladies join forces for a crossover you won't forget. What more could you want? And it's been a treat to work with Nick and the team."

"Like with so many comic book fans, Archie was a constant favorite of mine as a youngster. I've been so impressed with how they've taken the publishing to a new level in recent years with diverse stories like the Archie Horror line and the New Riverdale relaunch. And like so many others, I'm glued to my TV watching ***Riverdale*** now," Dynamite publisher *Nick Barrucci* said. "I just knew we had to do this crossover for the fans!"

Chu is having a great time with this quartet of characters. "This is a team-up, so the fun part is in exploring the different dynamics between all the characters. It'll be similar in that Sonja's still badass. Compared to New York City, Riverdale is a very different place for a barbarian warrior to be wandering around. But don't worry: It's not like I'm turning her into an accountant or anything! And if you think about it, her pairing with Vampirella is completely symbiotic and natural. I mean, if you drink blood, hanging out with a sword-wielding mercenary is really not a bad idea at all!"

Archie has done a number of crossovers in the past couple of years. How do Alex and the staff at Archie Comics decide what crossovers will work and what won't? "We never want it to feel like furniture, or like just any other crossover—they have to feel off the wall, special and, well, important," Segura said. "Dating back to ***Archie Meets the Punisher***, Archie's made a point of interacting with other companies in meaningful ways. The last thing we'd want is for a crossover to just feel like a box we're checking, and that's why this event is the perfect next chapter for us, following in the footsteps of ***Archie Meets KISS, Archie Meets the Ramones, Archie/Sharknado, Archie vs Predator,*** and lots more. It's going to be wacky fun and most important, an *unforgettable* comic."

Speaking of that ***Archie vs Predator*** crossover: That was an amazingly brutal book that looked like an old-style Archie comic but developed its storyline like an intense Predator film. Will Dynamite and Archie go for a similar tone here? "***Archie vs Predator*** was very meta and had that great classic Archie tonal shift, which threw people off guard and kept everyone guessing," Segura said. "This book, while not nearly as violent, will surprise fans in different ways. It's unlike anything we've done before."

"There's some darkness to it, to be sure, but I think this is a lot more fun, and Amy's done a great job of not just ignoring the inherent zany absurdity of the whole thing," Idelson said. "It straddles a nice line without being overly 'safe' or such."

Finding the right tone was crucial as far as Chu was concerned. "This is a pretty monumental task, and honestly at first I was going to decline because I didn't think I could pull it off. But the more I researched Vampirella—the character I was least familiar with—the more I was thinking this could be a really interesting murder mystery. A lot of Vampirella's early stories are quite dark and witty, and Riverdale is the perfect place for this type of stuff. So in this miniseries, you're going to get a little bit of everything—action, adventure, mystery, horror, and a little bit of fun."

Is *Maria Sanapo* illustrating this book in a fairly traditional Archie style, or is this closer to the look of Archie's more recent/realistic direction? "Maria's drawing this closer to the look of Archie's more recent/realistic direction, which happens to be the direction most of our books are drawn in, so it's a perfect match," Idelson said.

Any chance of a future Dynamite-Archie crossover—this time into the Archie horrorverse? An ***Army of Darkness/Afterlife With Archie*** seems like a natural... "It sure does!" Idelson replied. "We'd love to do more, and truly, the Archie folks—specifically *Stephen Oswald* and *Alex Segura*—have been fantastic to work with."

And as far as Segura is concerned, "The door's *definitely* open for more!"

Red Sonja and Vampirella Meet Betty and Veronica #1 will be offered with standard open-order covers by *Fay Dalton, Francesco Francavilla, Robert Hack, Paulina Ganucheau, Laura Braga,* and *Dan Parent,* as well as a photo cosplay cover. In addition, Dynamite will offer a 1-for-10 *Dan Parent* black-and-white incentive cover, a 1-for-20 *Laura Braga* black-and-white incentive cover, a 1-for-30 *Paulina Ganucheau* virgin art incentive cover, a 1-for-40 *Robert Hack* virgin art incentive cover, and a 1-for-50 *Francesco Francavilla* virgin art incentive cover (if you're interested, check with the folks at your friendly neighborhood comic shop as soon as possible regarding price and availability). And if that's not enough, Dynamite is also offering a $49.99 ***Red Sonja and Vampirella Meet Betty and Veronica #1*** Atlas Edition signed by *Amy Chu;* a $10 blank cover Authentix Edition with a heavy, uncoated-paper cover stock perfect for getting a sketch cover from your favorite pro (or drawing your own!); four different $89.99 remarked editions featuring original hand-drawn *Ken Haeser* covers of Red Sonja, Vampirella, Betty, or Veronica (your choice); and a deluxe *Ken Haeser* $199.99 remarked edition featuring an original drawing of all four characters.

Red Sonja and Vampirella Meet Betty and Veronica #1 is scheduled for May 8th release.

SPIDER-MAN

BY STAN LEE & ALEX SAVIUK

CONTINUED ON PAGE 2

THAT PLASTIC'LL BLOCK KILLGRAVE'S VOCAL POWERS IF HE WAKES UP!
GOOD! WOULDN'T WANT HIM TO FORCE ME TO TOTAL YOU!
AREN'T YOU FORGETTING? FIRST CHANCE HE GOT, HE SWITCHED FROM CONTROLLING YOU TO CONTROLLING ME!
I DIDN'T SAY HE WAS SMART!
HEY, GUYS- CHILL!
STAN LEE ALEX SAVIUK 3-4
DON'T GET IN A FIGHT NOW! IT TOOK BOTH OF YOU TO BEAT KILLGRAVE!
SORRY, MJ- BUT YOU'RE WRONG!
YOU GOT THAT RIGHT, WEB-MAN.
WHAT'RE YOU TWO TALKING ABOUT?
STAN LEE/ALEX SAVIUK 3-5
IT DIDN'T TAKE THE TWO OF US TO WHIP THE PURPLE MAN.
NOPE! IT TOOK ALL THREE OF US!
IF YOU'RE STICKING AROUND TO TURN KILLGRAVE OVER TO THE COPS, I'M OUTTA HERE!
ACTUALLY, CAGE, I WAS KINDA WONDERING-
-IF YOU'D MIND POSING FOR A PICTURE OR TWO WITH ME?
?
STAN LEE ALEX SAVIUK 3-6
YOU WANT THE TWO OF US TO POSE FOR A SELFIE?
NOTHING AS CORNY AS THAT!
I WANT US TO MAKE LIKE WE'RE HAVING A BATTLE ROYALE-
-AND MJ WILL TAKE PICTURES OF IT!
STAN LEE ALEX SAVIUK 3-7
I THOUGHT IT WAS YOUR HUSBAND WHO TOOK PHOTOS FOR THE DAILY BUGLE.
WELL...DON'T TELL THE PUBLISHER, BUT SOMETIMES I HELP HIM OUT A LITTLE.
OKAY, LET'S GET THIS PLAY-ACTING OVER WITH! YOU WANNA TAKE A SWING AT ME-OR DO I TAKE A POKE AT YOU?
LET'S JUST MIX IT UP-
HEY!
STAN LEE ALEX SAVIUK 3-8
-AND SEE WHAT DEVELOPS!
EASY, GUYS! DON'T LET IT TURN INTO A REAL BRAWL!
